JAS March Meeting: Special Place and Time!

Don’t miss this month’s very special JAS meeting with Ted Murphy-Kelly, founder of the Society of Yukon Bird Observatories. Join JAS on Thursday, March 15th at 7pm in the Egan Lecture Hall at UAS. Note—this is a different place and time than our usual meeting to accommodate Ted’s travel from Whitehorse. Be sure to mark your calendars so you don’t miss out!

As always, these meetings are free and open to the public. Hope to see you there!

JAS Founder Honored

We are proud to announce that Mary Lou King is being inducted into the Alaska Women’s Hall of Fame this May. Mary Lou recently retired from JAS board after a remarkable and successful continuous run of over 40 years. Beyond her work with Audubon, she has been an advocate for conservation and natural history learning in Alaska for more than 50 years. She has published numerous books on topics ranging from hiking to birding field guides, created student outdoor curricula, and promoted cultural learning.

Thanks, and congratulations Mary Lou!

Juneau Audubon by the Numbers

By Gwen Baluss

Completing our Annual Report is always a spreadsheet chore that I don’t look forward to. But once it’s done, I’m so excited to see some of our accomplishments totaled up. Here are some highlights I picked out from fiscal year 2017.

Kids reached in bird-based education activities: 140
Volunteer hours: 925
Estimate of people hours spent participating in field trips and evening programs: 800
Number people reached, top JAS Facebook page post of 2017 (an outreach for swallow boxes looking for homes): 2,954

We couldn’t do it without your support—THANK YOU!

**JAS Needs You!**
The JAS has an ongoing need for board members and volunteers. Currently we have a vacancy for Conservation Chair. Are you interested in conservation of birds and other wildlife? Contributing just a few hours a month would be a big help. No special expertise required, just some time and interest. Also, we welcome help from Southeast AK communities beyond Juneau. We’ve been doing very well in community engagement and even with fundraising. However, our “bottleneck” that limits how we can service our community is in people power. Please join us!
